

## flooring & staging

Timber or carpeted floors can be provided by **Your Event Solution** to cover most surfaces, from 3 metres to 25 metres wide and any length required. For outdoor areas, ground mats protect lawns and provide safe and attractive walkways. Setting up stages is easy with **Your Event Solution** modular system which allows for variations in height, while catwalks and product launch platforms can be presented in spectacular fashion.

### floor coverings

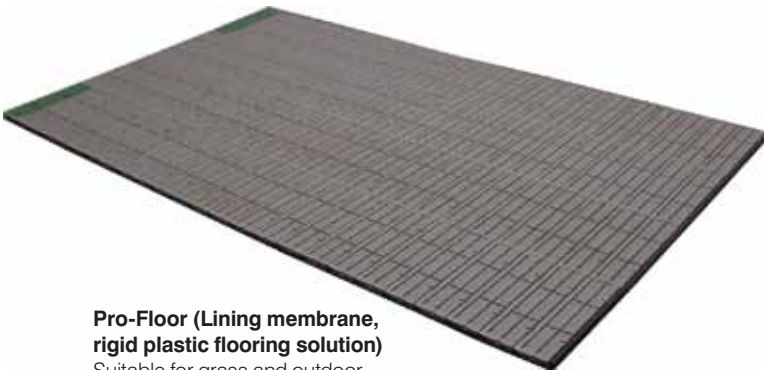

**Bar Matting**  
Black  
0.9 x 1.5m
